Billie Eilish

Out on Friday

Less than three years since she popped her debut single on SoundCloud, 17-year-old Billie Eilish has become one of modern pop's brightest hopes. Like Lana Del Rey if she were raised solely on Odd Future, Eilish's album *When We All Fall Asleep, Where Do We Go?* is a star-making debut.

FACT, Liverpool Fri to 16 Jun

Both renowned US film-maker Ericka Beckman and emerging artist Marianna Simnett make visual art that manipulates the classic tropes of fairytale storytelling. Here, they conjure up female-focused artworks that veer from the alluring to the troubling, creating fantasy worlds to get scared in.

Lords of Chaos

Out on Friday

Focusing on the Norwegian black metal scene of the early 90s, Jonas Åkerlund's pitch-black thriller tells the true story of Mayhem, a band whose music was overshadowed by suicide, church burnings and - ultimately - murder. Rory Culkin, Sky Ferreira and Jack Kilmer don the kohl eyeliner.
